Ordering Information

Within 2-3 weeks of your session (usually earlier), an online gallery of 25+ images from your session will be available for three days for ordering. At the end of this ordering period, we will meet for an ordering appointment at the studio. All orders must be placed at this time. Images are available for purchase only during this three-day period. Images not ordered during this three-day period are subject to a non-refundable archiving fee of \$75 per week. Ordered prints will be available within 4 weeks of ordering; canvases, coffee table books and albums take additional time and will be available 6-8 weeks after ordering.
